

HOW WE MET

Boy meets girl, boy asks girl out, boy proposes to girl. It's the age-old story that has stood the test of time. Marriage customs, traditions and styles have changed tremendously over the years but one thing remains the same: the story of how a couple met. Almost all couples began with an introduction, the anxious first date request and, ultimately, the sweaty-palmed proposal. The following are highlights from local couples who shared their "How We Met" stories:
