

Familiarize yourselves with this small island and its varying terrain by taking a jeep tour. High in the rainforest you'll see abandoned sugar mills and amazing panoramic views of this island paradise. For the more adventurous kayak the Salt River, the landing site of Christopher Columbus and his expedition.

You can also tour sugar plantations on horseback. Make reservations to snorkel the underwater national park at Buck Island. Enjoy the coral forest and colorful marine life or charter a fishing trip to catch a marlin or some of the monster mahi that inhabit these waters. After all these activities, unwind with a cold one or a tropical drink on the deck at RumRunners at the Christiansted dock. While at the dock watch the crab races and go to a Jump Up where you can experience the Cruzan culture through Caribbean music, dances and food. Stroll through the town of Christiansted with its Danish colonial architecture and enjoy the duty-free shopping.

Head to the other side of the island to explore Fredriksted with its waterfront stores and cafes. Spend the day relaxing on the beach and the evenings enjoying live music at Rainbow beach or gambling at Divi Carina. Don't forget to tour the famous Cruzan rum distillery. St. Croix has several resorts which offer wedding packages making a Caribbean honeymoon or a destination wedding very affordable.

Whether you want a honeymoon filled with adventure or relaxing on the beach, St. Croix can satisfy your desires. Of course no matter whether you choose to celebrate the beginning of your life together in an exotic locale or on one of our own beautiful Golden Isles, with a little planning your honeymoon is sure to be the perfect start to your journey together. ■
